Summary

Finance and accounting graduate with First Class Honours from a dual degree programme in Vietnam, currently completing a Master of Information Technology at the University of Wollongong, Australia. Experience includes a retail banking internship and budgeting and expense monitoring for student charity projects. Skilled in using Power BI to analyse revenue and profitability and translate findings into business recommendations.

Education

University of Wollongong *Feb 2025 - Dec 2026 (expected)*
Master of Information Technology; Majors: Enterprise Systems; Information Design and Analysis *NSW, Australia*

- WAM: **83.9/100**
- Selected coursework: Data Management Systems; System Analysis and Project Management; Business Process Management.

Academy of Finance & University of Greenwich *Sep 2020 - Sep 2024*
Dual Degree Programme (DDP): Finance, Banking and Accounting *Hanoi, Vietnam*

- Bachelor of Finance and Banking; BA (Hons) Accounting and Finance - **First Class Honours**.
- **Graduation Valedictorian, DDP 2024** | GPA: **3.89/4.0**.
- **Selected coursework:** Corporate Finance; Financial Accounting (including IFRS); Management Accounting.

Experience

SHB | Personal Banking Department *Oct 2023 - Feb 2024*
Individual Banking Intern *Hanoi, Vietnam*

- Practised preliminary mortgage assessments using customer financial information provided for training, calculating **debt-to-income (DTI) ratios** and preparing supporting documentation under banking staff guidance.
- Interpreted **printed CIC credit reports** in practice cases to assess credit card eligibility and propose preliminary credit limits for supervisor review.
- Assisted banking staff with **account and card-opening applications** and year-end customer appreciation activities.

DDP Charity Bridge Club *Oct 2020 - Jul 2023*
Finance Team Lead & Vice President | University Student Charity Organisation *Hanoi, Vietnam*

- Led a **six-member finance team**, overseeing budget planning, expense monitoring and financial resource allocation for charity projects.
- Managed budget coordination, university approvals and delivery for **three Lunar New Year charity projects** (2021-2023), with individual project budgets of approximately **VND 100-130M**.
- Coordinated finance, HR and event activities across a **70-member student charity** through functional team leads.

Projects

SuperStore Retail Profitability Analysis *Jun 2026*
Power BI, Power Query, DAX | Kaggle Sample Superstore dataset *GitHub*

- Built a four-page dashboard using Power Query and DAX to identify profitable and loss-making areas across products, regions, customer segments, discounts and shipping, analysing **$2.33M in sales** and **$292.3K in profit**.
- Investigated weak Furniture profitability and losses associated with high discounts; proposed pricing reviews and discount controls.

Pizza Sales Analysis *Aug 2026*
Power BI, Power Query, DAX *GitHub*

- Transformed raw sales data into a star schema using Power Query and built a four-page dashboard with DAX measures, analysing **$817.86K in revenue** across **21.35K orders**, sales trends, product performance and ingredient demand.
- Identified **Friday as the busiest day**, **Classic as the top-revenue category** and garlic/tomatoes as ingredients associated with high sales volumes; proposed staffing, menu and inventory-planning recommendations.

Factors Affecting Customer Deposit Decisions at SHB *Feb 2024 - Jul 2024*
Undergraduate dissertation | Self-collected survey data | SPSS, Excel *GitHub*

- Designed a questionnaire and collected **200 valid responses** through online and offline surveys of individual customers. Analysed the self-collected data using **Cronbach's Alpha, Exploratory Factor Analysis (EFA), Pearson correlation and multiple linear regression** in SPSS.
- Found **marketing, deposit interest rates and bank reputation** to be statistically significant factors associated with deposit decisions; proposed recommendations to improve SHB's deposit services and customer acquisition strategies.

Skills

- **Finance:** Budget planning, expense monitoring, revenue and profitability analysis.
- **Tools:** Power BI (Power Query, DAX), Excel (basic).
- **Transferable Skills:** Stakeholder and customer communication, cross-functional coordination, team leadership.

Certificates

- **Design and manage analytics solutions using Power BI** - Microsoft Learn | Jul 2026
- **SQL for Newbies: Data Analysis for Beginners** - MCI Academy | Jan 2025
- **Python Foundation in Data Analytics** - MCI Academy | Sep 2024
